Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

No suitable comparable property sales were identified within a 2 km radius over the past six months due to differences in property attributes, features, land size and other key characteristics. Therefore, no comparable properties have been included in the Property Price Statement.
