Reason there are fewer than three comparable properties

[x] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

There have been less than 3 sales the agent believes are comparable in the area. There have been sales of similar land size however the houses are in better condition but they lack the view. 46 Clematis Ave Ferntree Gully has locations features many others do not, and connot possess.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
